

Breakfast_03: Breakfast Buffet. (Duration: 00:45)

- Excuse me. Is there any maple syrup for the French toast?
- Sure! It's right there in front of you.
- OK. Mmm, a lot of maple syrup. Ooh! That's too much. Oh, it's OK. Actually, I'll just take it with me. Some milk for my coffee. That's great! Mmm, breakfast rolls or English muffins? I don't know. Ah, an English muffin with jam. That's fine! Excuse me. Is there any salt and pepper?
- There you go.
- OK, thanks. Is this enough food? I can always go back later...
