

Conversation_02: Experiences (Duration: 01:10)

- Another sandwich, sir? I mean, Max.
- No thank you, Wilbur.
- Can I get you a drink?
- No. Really, I'm fine. But thank you.
- I wanted to ask you something.
- Well, what is it?
- The new job, for a European sales manager. I'd like to apply for it.
- I see. How many languages do you speak?
- Two. French and Spanish.
- How well do you speak them?
- Quite well. I studied French for five years at school. And I've been learning Spanish in evening classes.
- How long have you been studying Spanish?
- Um, not very long, really.
- When did you begin, Wilbur?
- Er, four weeks ago.
- So you aren't a fluent speaker.
- Er, no. But I bought some cassettes in Spanish and I listen to them at home every evening.
- Really? They're a language programme, then?
- Not really. They're music. Julio Iglesias, greatest hits and folk songs of Mexico.
- I see.
