

Directions_01 (Duration: 01:25)

- Pardon me. I'm trying to get to the walk of fame.
- I can't help you, I don't know the area.
- OK. Thanks anyway. ... Excuse me. I'm trying to get to the walk of fame. Can you give me directions?
- Pardon me?
- Do you know how to get to the walk of fame?
- Ain't that where they have all the footprints of the stars in the sidewalk?
- Yes. That's it.
- I've seen that on TV. I reckon it's round here somewhere.
- But you don't know where.
- No. Sorry. Can't help you.
- ... Excuse me. Can you give me directions to the walk of fame?
- Are you driving or walking?
- Driving.
- It's the same anyhow. You just hang a left onto Highland, right?
- I go right into Highland?
- No, you turn left onto Highland. Right. Sorry, I mean ... OK. Then take the first right onto Hollywood Boulevard. It's about half a mile down, maybe a bit less. You'll see it on your left, just before the next intersection. That's the northeast corner of Hollywood and Vine.
