

**Directions\_02** (*Duration: 00:57*)

- Excuse me, but can you give me directions to Union Station from here?
- That's pretty far from here. What you gotta do is stay on Sunset until you see the sign for the I101. Then get off of Sunset and take that freeway. About 4 or 5 miles down on the 101, you'll start to see the signs for the station, but I don't remember the exit number. Anyhow, you want the exit for the I110 north, then start looking for the exit to Sunset Boulevard. Take that, until you hit Alvera Street. You'll see the signs for the station before then. Can't miss 'em.
- Couldn't I just stay on Sunset the whole way?
- Yeah, but it'll be a lot quicker on the freeway at this time of day.
- Right. Thanks.
