

**Excursions: Somewhere to Go** (*Duration: 01:12*)

- Do you have any information about excursions in the Tampa Bay area?
- Yes sir. We have about 50 flyers from various places. Can I give you any advice?
- Thank you. I'm staying here over the weekend. What would you recommend?
- Bush Gardens is the most popular attraction. It's a theme park. It's pretty busy on the weekends. Are you on your own?
- Yes, I am. A theme park isn't much fun for one person.
- No. How about sport? There's a big football game on Sunday.
- American football?
- Yes.
- I don't understand the rules.
- OK. What about the Salvador Dali museum in Saint Petersburg. It's the largest collection in the world.
- That sounds interesting. I need something relaxing.
- Ah! In that case, why don't you go to Saint Petersburg beach after the museum? You can rent a boat, or there are fishing trips from the beach. That's what I'd do.
- Sounds good. Thanks for your help.
- You're welcome. Let me get you some flyers.
