

Fast Food (*Duration: 00:44*)

- Hello again.
- Mmm, ice cream please.
- Would you like vanilla, chocolate or a swirl?
- A swirl.
- There you go. \$2.48 with the tax.
- Er, OK.
- Mmm. I can't make change for \$100. Do you have anything smaller?
- Er, not really. I wanna change the \$100.
- Sorry. Er, there was \$13 change from the burger.
- Oh, yeah. Well, I guess I have the exact amount. That's two and twenty five, thirty five, forty five and three cents.
- Thanks.
