

Jobs_02: Talking about your Job (*Duration: 00:53*)

I work in the retail sector, in a pharmacy. I'm a sales assistant. I work regular store hours. We're in a mall, so we don't open until 10. I start work at about 9:45 and I finish at 5:30. On Thursdays I work till 8pm. I don't work weekends or holidays. I have two weeks' vacation a year, that's ten working days in fact. I have to wear a white coat at work over my regular clothes. I have lunch in the food court in the mall, usually from 12:30 to 1:30.
