*10cc was a British rock group famous in the 1970s. In 1975, the band achieved its greatest success with the song "I'm Not in Love". Other hits include "Silly Love", "Wall Street Shuffle", "Dreadlock Holiday" and "I Wanna Rule the World".*

I'm not in love, so don't forget it  
It's just a silly phase I'm going through  
And just because I call you up  
Don't get me wrong, don't think you've got it made  
I'm not in love, no-no  
(It's because...)

I like to see you, but then again  
That doesn't mean you mean that much to me  
So if I call you, don't make a fuss  
Don't tell your friends about the two of us  
I'm not in love, no-no  
(It's because...)

(Be quiet, big boys don't cry)  
(Big boys don't cry)  
(Big boys don't cry)  
(Big boys don't cry)  
(Big boys don't cry)  
(Big boys don't cry)  
(Big boys don't cry)

I keep your picture upon the wall  
It hides a nasty stain that's lyin' there  
So don't you ask me to give it back  
I know you know it doesn't mean that much to me  
I'm not in love, no-no  
(It's because...)

Ooh, you'll wait a long time for me  
Ooh, you'll wait a long time

Ooh, you'll wait a long time for me  
Ooh, you'll wait a long time

I'm not in love, so don't forget it  
It's just a silly phase I'm going through  
And just because I call you up  
Don't get me wrong, don't think you've got it made, ooh

I'm not in love, I'm not in love...

## 10cc – I Wanna Rule the World (1976)

I wanna be a boss, I wanna be a big boss  
I wanna boss the world around  
I wanna be the biggest boss that ever bossed the world around  
I wanna do it right, I wanna do it right away  
I wanna do it right now  
I wanna do it right away, I wanna do it now

Don't wanna be a dancer in the Bolshoi Ballet  
Don't wanna work for Daddy, in Daddy's shop, OK?  
I get so confused  
I get a pain, I get a pain up here, in the Shirley Temples

What you gonna do, How you gonna do it?  
What you gonna do, How you gonna do it?  
Little by little, oh oh, little by little, bit by bit

Sssh! Not too loud, don't tell everybody  
Don't give away the game, oooh, oooh  
I ain't quite ready to reveal my campaign  
This is not the time  
My heroes are alive and well in a cave  
I'm keeping them on ice in suspended animation  
'Till the very right occasion comes along

To our rally come along  
Come along to our rally  
Come along to our rally come along  
To our rally come along  
Come along to our rally  
Come along to our rally come along

A Brave new world will rise from the ashes  
And there upon a rock titanic, I'll cast a giant shadow on the face of the deep  
And never again will they dare to call me a freckled, spotty, specky, four-eyed, weedy little creep!

No more trembling and quaking in the gym  
No more "Come on fellas - let's get him"

What you gonna do, How you gonna do it?  
What you gonna do, How you gonna do it?  
Little by little, oh oh, little by little, bit by bit  
Little by little, oh oh, little by little, bit by bit, bit by bit, bit by bit

Everyone's going to be free, but they have to agree to be free  
They have to agree to be less free than me, 'cos I rule the world you see.  
So wait for the army of kiddy-winkies and terrible tiny tots, in armored school buses  
Firing poison pea-shooters and sinking their milk teeth into your thighs.  
Delapsus resurgam! When I fall I shall rise!

I wanna be a boss, I wanna be a big boss  
I wanna boss the world around  
I wanna be the biggest boss that ever bossed the world around
