

## Dolly Parton – "I will Always Love You" (1973)

If I should stay  
Well, I would only be in your way  
And so I'll go, and yet I know  
That I'll think of you each step of my way  
And I will always love you  
I will always love you

Bitter-sweet memories  
That's all I have, and all I'm taking with me  
Good-bye, oh, please don't cry  
'cause we both know that I'm not what you need  
But I will always love you  
I will always love you

And I hope life will treat you kind  
And I hope that you have all that you ever dreamed of  
Oh, I do wish you joy  
And I wish you happiness  
But above all this I wish you love  
I love you, I will always love you

I, I will always, always love you  
I will always love you  
I will always love you  
I will always love you

## Dolly Parton – "9 to 5" (1980)

*"9 to 5" is a 1980 American comedy film starring Jane Fonda, Lily Tomlin, and Dolly Parton as three working women who want to get even with their autocratic, sexist, egotistical, lying, hypocritical, bigoted boss. This song was written for the soundtrack of the film.*

I tumble out of bed and stumble to the kitchen,  
Pour myself a cup of ambition,  
And yawn and stretch and try to come to life.

Jump in the shower and the blood starts pumping.  
Out on the street, the traffic starts jumping  
With folks like me on the job from 9 to 5.

### Chorus:

Working 9 to 5, what a way to make a living.  
Barely getting by, it's all taking and no giving.  
They just use your mind, and they never give you credit.  
It's enough to drive you crazy, if you let it.

9 to 5, for service and devotion,  
You would think that I would deserve a fair promotion.  
Want to move ahead but the boss won't seem to let me.  
I swear sometimes that man is out to get me.

They let you dream just to watch them shatter.  
You're just a step on the boss man's ladder,  
But you got dreams he'll never take away.  
In the same boat with a lot of your friends,  
Waiting for the day your ship will come in,  
And the tide's gonna turn and it's all gonna roll your way.

### Chorus

9 to 5, yeah, they got you where they want you.  
There's a better life and you think about it, don't you?  
It's a rich man's game, no matter what they call it.  
And you spend your life putting money in his wallet.

### Chorus
