

## Housemartins – He Ain't Heavy, He's My Brother (1986)

*This song was a hit by The Hollies in 1969 and Neil Diamond in 1970.*

The road is long, the long long road,  
With many winding turns,  
That leads us to  
(Who) knows where  
Who knows where

But I'm strong  
Strong enough to care  
Ah, he ain't heavy  
'Cos he's my brother

So on we go, so on we go  
His welfare is my concern  
No burden is he,  
To where, we'll get there

But I'm strong,  
Strong enough to care  
Ah, he ain't heavy  
'Cos he's my brother

When the going gets rough, I've got a brother  
When the going gets tough, I've got a friend  
All you have to do is call me, yeah, yeah  
All you have to do is call me, yeah, yeah  
'Cos he's my brother  
'Cos he's my brother

## Housemartins – Caravan of Love (1986)

Are you ready, Are you ready, Are you ready, Are you ready?  
Are you ready for the time of your life?  
It's time to stand up and fight  
's all right, 's all right  
Hand in hand we'll take a caravan to the marvel land  
One by one we're gonna stand up with pride  
One that can't be denied  
Stand up, stand up

From the highest mountain, valley low  
We'll join together with hearts of gold  
Now the children of the world can see  
This is a better place for us to be  
The place in which we were born  
So neglected and torn apart

Every woman, every man  
Join the caravan of love  
Stand up, stand up, stand up  
Everybody take a stand  
Join the caravan of love  
Stand up, stand up, stand up

I'm your brother, I'm your brother don't you know  
She's my sister, she's my sister don't you know

We'll be living in the world of peace  
On the day when everyone is free  
Bring the young and the old  
Won't you let your love flow from your heart.

Every woman, every man  
Join the caravan of love  
Stand up, stand up, stand up  
Everybody take a stand  
Join the caravan of love  
Stand up, stand up, stand up

I'm your brother, I'm your brother don't you know  
She's my sister, she's my sister don't you know
