

Maroon 5 – She Will Be Loved

Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always belonged to someone else

I drove for miles and miles
And wound up at your door
I've had you so many times but somehow
I want more

Chorus:

I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved, she will be loved

Tap on my window, knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter any more

It's not always rainbows and butterflies
It's compromise that moves us along, yeah
My heart is full and my door's always open
You can come anytime you want

[Chorus]

I know where you hide, alone in your car
Know all of the things that make you who you are
I know that goodbye means nothing at all
Comes back and begs me to catch her every time she falls

Yeah, tap on my window knock on my door
I want to make you feel beautiful

[Chorus]

Please don't try so hard to say goodbye
Please don't try so hard to say goodbye

I don't mind spending every day
Out on your corner in the pouring rain
Try so hard to say goodbye
