

Mary Poppins – Supercalifragilisticexpialidocious (1964)
(a film from Walt Disney starring Julie Andrews and Dick Van Dyke)

It's

Chorus:

Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough, you'll always sound precocious
Supercalifragilisticexpialidocious

Um diddle, diddle diddle, um diddle ay,

Because I was afraid to speak when I was just a lad
Me father gave me nose a tweak and told me I was bad
But then one day I learned a word that saved me aching nose
The biggest word you ever heard and this is how it goes

[Chorus]

Um diddle, diddle diddle, um diddle ay,

He travelled all around the world and everywhere he went
He'd use his word and all would say "There goes a clever gent"
When Dukes and Maharajahs pass the time of day with me
I say me special word and then they ask me out to tea

[Chorus]

Um diddle, diddle diddle, um diddle ay,

You know, you can say it backwards, which is "dociousaliexpilisticfragicalirupus"
But that's going a bit too far, don't you think? Indubitably!

So when the cat has got your tongue, there's no need for dismay
Just summon up this word, and then you've got a lot to say
But better use it carefully, or it could change your life ...

"For example..."

"Yes?"

"One night I said it to me girl, and now me girl's me wife"

"Oh - and a lovely thing she is, too!"

She's supercalifragilisticexpialidocious
