

Michael Bublé – Home (2005)

Another summer day has come and gone away in Paris and Rome
But I wanna go home
Maybe surrounded by a million people, I still feel all alone
I just wanna go home
Oh, I miss you, you know

And I've been keeping all the letters that I wrote to you
Each one a line or two: "I'm fine baby, how are you?"
Well I would send them but I know that it's just not enough
My words were cold and flat and you deserve more than that

Another aeroplane, another sunny place, I'm lucky I know
But I wanna go home, I've got to go home
Let me go home
I'm just too far from where you are
I wanna come home

And I feel just like I'm living someone else's life
It's like I just stepped outside when everything was going right
And I know just why you could not come along with me
But this was not your dream, but you always believed in me

Another winter day has come and gone away in even Paris and Rome
And I wanna go home, let me go home
And I'm surrounded by a million people, I still feel alone, oh, let me go home
Oh, I miss you, you know

Let me go home, I've had my run, baby, I'm done, I gotta go home
Let me go home, it'll all be alright, I'll be home tonight, I'm coming back home
