

Michael Jackson – You are not Alone (1995)

"You Are Not Alone" was written by American singer-songwriter R. Kelly. He sent a demo tape to Jackson, who liked the song and decided to produce it with him. Jackson's interest in the song was linked to events in his personal life. The music video featured Jackson and his then-wife Lisa Marie Presley.

Another day has gone, I'm still all alone
How could this be that you're not here with me?
You never said goodbye, someone tell me why
Did you have to go and leave my world so cold?

Every day I sit and ask myself "How did love slip away?"
Something whispers in my ear and says

Chorus:

That you are not alone, I am here with you
Though you're far away, I am here to stay
But you are not alone, I am here with you
Though we're far apart, you're always in my heart
But you are not alone

Just the other night, I thought I heard you cry
Asking me to come and hold you in my arms
I can hear your prayers, your burdens I will bear
But first, I need your hand, then forever can begin

Every day I sit and ask myself "How did love slip away?"
Something whispers in my ear and says

[Chorus]

Whisper three words and I'll come running – fly
And girl, you know that I'll be there, I'll be there

[Chorus] x 2

If you just reach out for me, girl
In the morning, in the evening
Not alone, not alone
You and me, not alone, oh
Together, together
Not, not being alone
