

The Scorpions – Still Loving You

Time, it needs time, to win back your love again,
I will be there, I will be there.
Love, only love, can bring back your love someday,
I will be there, I will be there.

Fight, babe I'll fight, to win back your love again,
I will be there, I will be there.
Love, only love, can bring down the walls some day,
I will be there, I will be there.

If we'd go again, all the way from the start,
I would try to change things that killed our love.
Your pride has built a wall so strong that I can't get through,
Is there really no chance to start once again? I'm loving you.

Try, baby try, to trust in my love again,
I will be there, I will be there.
Love, only love, just shouldn't be thrown away,
I will be there, I will be there.

If we'd go again, all the way from the start,
I would try to change things that killed our love,
Your pride has built a wall so strong that I can't get through,
Is there really no chance to start once again?

If we'd go again, all the way from the start,
I would try to change things that killed our love,
Yes, I've hurt your pride, and I know what you've been through,
You should give me a chance, this can't be the end.

I'm still loving you, I'm still loving you, I'm still loving you, I need your love.
