

Supertramp – The Logical Song (1979)

Red – adjectives / **Blue – adverbs**

When I was young, it seemed that life was so **wonderful**,
A miracle, oh it was **beautiful, magical**.
And all the birds in the trees, well they'd be singing so **happily**,
Oh **joyfully**, oh **playfully** watching me.
But then they sent me away to teach me how to be **sensible**,
Logical, oh, **responsible, practical**.
And they showed me a world where I could be so **dependable**,
Clinical, oh, **intellectual, cynical**.

There are times when all the world's **asleep**,
The questions run too **deep**
For such a **simple** man.
Won't you please, please tell me what we've learned?
I know it sounds **absurd**
Please tell me who I am.

I said - watch what you say or they'll be calling you a **radical**,
Liberal, oh, **fanatical, criminal**.
Won't you sign up your name? We'd like to feel you're
Acceptable, respectable, oh, **presentable**, a vegetable!

But at night, when all the world's **asleep**,
The questions run so **deep**
For such a **simple** man.
Won't you please, please tell me what we've learned?
I know it sounds **absurd**
Please tell me who I am, who I am, who I am, who I am.

Woh
Hey
And now, I'm so **logical!**
Di-di-di-di-did you know, one, two, three, four.
Woh, woh, woh, woh, **completely unbelievable**.
Yeah

Red/Blue – rhyming words

When I was young, it seemed that life was so wonderful,
A miracle, oh it was beautiful, magical.
And all the birds in the trees, well, they'd be singing so happily,
Oh joyfully, oh playfully watching me.
But then they sent me away to teach me how to be sensible,
Logical, oh, responsible, practical.
And they showed me a world where I could be so dependable,
Clinical, oh, intellectual, cynical.

There are times when all the world's asleep,
The questions run too deep
For such a simple man.
Won't you please, please tell me what we've learned?
I know it sounds absurd
Please tell me who I am.
