## **Examples of conversations:**

### Pharmacy location

A: Excuse me. I need a pharmacy. Is there one near here?

B: Yes. Turn left here and go two blocks. There is one on the corner.

A: OK. Thanks.

### At the Pharmacy

A: Excuse me. I need something for a headache.

B: Certainly. Are you allergic to any drugs?

A: No.

B: Is it a mild or strong headache? Is it a migraine?

A: It's not a migraine, but it's a strong headache.

B: OK. I recommend "Anadin Extra". Here is a packet of 10 tablets. Please pay at the check-out.

A: Thank you very much.

### Doctor

A: Excuse me. I'm very sick. I need a doctor.

B: Of course. I will call a doctor for you. Which room are you in?

A: 1308.

B: OK. Please return to your room. The doctor will arrive in about fifteen minutes.

A: Thank you very much.

### Health Plan

Doctor: Do you have a health plan?

Patient: Yes, I do. Here is my health plan certificate.

Doctor: OK. Complete this form and send it to your health plan company when you arrive home.

Patient: Thanks, doctor.
